Publishing Agreement – Journal of Surgical Simulation

Title of article _____

_____

Author(s) _____

_____

Please select one of the following licensing options:

Authors who are receipt of funding from the Wellcome Trust or Research Councils UK (RCUK) ONLY – please select this option:

☐ I agree to the above article being published in *Journal of Surgical Simulation* under the terms of the Creative Commons Attribution 4.0 International (CC BY 4.0)

All other authors please select this option:

☐ I agree to the above article being published in *Journal of Surgical Simulation* under the terms of the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0)

N B Please notify *Journal of Surgical Simulation* at the time of submission if the law requires that the article be published in the public domain (e.g. US Government publications), if the Article is protected by UK Crown Copyright or cannot be fully licensed as indicated above.

The author(s) confirm that the Publisher is the sole licensee for the publication of the final, definitive and citable Version of Scholarly Record.

Journal of Surgical Simulation will publish the article on an open access basis. The article will be made freely available online for non-commercial use immediately on publication and distributed under the terms of the chosen Creative Commons Licence.

The article will be made available as part of a long-term electronic archive without subscription barriers to access.

Users of open access versions are entitled to use, reproduce, disseminate, or display articles, for non-commercial purposes, provided that:

- the original authorship is properly and fully attributed
- *Journal of Surgical Simulation* is attributed as the original place of publication along with the correct citation details
- if a part of the article is subsequently reproduced or disseminated, or a derivative work is created for non-commercial purposes (e.g. teaching), this must be clearly indicated and, as above, the original authorship should be properly and fully attributed and *Journal of Surgical Simulation* should be attributed as the original place of publication along with the correct citation details.

Copyright is not transferred to the publisher and remains with the author(s) or the existing copyright holder as applicable.

While articles published under Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) will be made freely available online with open access for non-commercial purposes, the author(s) grants the publisher the exclusive rights for the commercial use of this article.

All requests from authors and third parties for commercial re-use of all or part of any article published in *Journal of Surgical Simulation* under Creative Commons Attribution NonCommercial Licence (CC-BY-NC 4.0) will be dealt with by the publisher (sales@journalsurgicalsimulation.com).

By agreeing to have your article published in *Journal of Surgical Simulation* you agree to pay the open access charge.

By signing this form you certify:

- that your contribution is your original work, has not been published before (in any language or medium), is not being considered for publication elsewhere and does not infringe any existing copyright or any other third party rights;

- that you have obtained permission for and acknowledged the source of any excerpts, including figures or tables, from other copyright works;

- that to the best of your knowledge your paper contains no statements which are libellous, unlawful or in any way actionable, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;

- that you have taken due care to ensure the integrity of the article, and to your - and currently accepted scientific - knowledge all statements contained in it purporting to be facts are true and any formula or instruction contained in the article will not, if followed accurately, cause any injury, illness or damage to the user;

- that you agree to the inclusion of electronic links from the article to third party material wherever it may be located.

The author signatory below represents that they sign this Agreement as authorised agents for and on behalf of all the authors.

Please return the completed form to editorial@journalsurgicalsimulation.com, or by post to:
Journal of Surgical Simulation, P.O. Box 573, Beckenham BR3 9NF, U.K.
